## L&D LANGUAGE INSTITUTE – MOSCOW, RUSSIA

### ABOUT THE SCHOOL AND THE CITY

Learn Russian in the heart of "Mother Russia". L&D Language Institute Moscow, in association with Moscow Linguistic University, offers courses in Language and Culture in Moscow. Classes are held at the University in a residential neighborhood located in the city centre, just minutes from the Moskva River and Gorky Park, and only 2 Metro stops from the Kremlin and Red Square.

All L&D Language Institute teachers are trained, qualified staff who specialize in language teaching and are teaching in their native language to adults. Classes are taught by a team of 2 or 3 teachers, one of whom has overall responsibility of course planning. The teachers will use student feedback in weekly and daily work plans taking account of the needs of the individuals in the class.

The University has high academic standards and experienced teachers make the study of Russian interesting and relevant to students' needs. Course participants will have the opportunity to learn Russian successfully and to gain insights into the society. Each course will include Russian language learning, topics related to Russian culture and contemporary life, visits to places of interest, and a full and varied social program.

The splendid palaces of the tzars, the world famous Red Square, majestic church towers and impressive underground stations; the hectic pace of modern life in Moscow unfolds against the backdrop of its glorious past. Day and night, the sheer diversity of life is simply fascinating, as are the people with their incomparable warmth and hospitality. The city of 10 million inhabitants is indeed the "Soul of Russia".

### ABOUT THE PROGRAM

**Group Course** 20 lessons per week. Communicative teaching methods with small groups of maximum 8 students per class make this popular course a pleasurable and enriching experience for everyone participating. Group courses are offered from February to October with a minimum course length of 2 weeks.

The course syllabus is dynamic and follows a modular pattern made of 2 week units. For participants who stay 4 weeks or longer, the following units will build up on grammar basics of unit one, treating the same grammar topics from a different angle with more in-depth explanations, with a more complex vocabulary, different exercises, more dialogues and role-play in class.

The small group size of maximum 8 students per group combined with a sizable amount of homework is intended to make an impact right from the beginning. The feeling of success will help to maintain a high level of motivation which in turn is essential for the necessary discipline.

Common lectures in addition to the 20 weekly lessons of language teaching held twice a week covering a number of subjects including but not limited: History of St. Petersburg, History of Moscow, Russian Economy, Current Politics

**Intensive Group Course** comprises 25 lessons per week in groups with maximum ten participants. The morning lessons (20) are taken together with the students, which have booked our Standard Group Course. The afternoon supplement (5 lessons on two days – usually Tuesday and Thursday)

\* A1 – Beginner, \* A1+/A2 – Elementary,  
\* B1 – Intermediate \* B2 – Upper-intermediate

**Professional Tutor Course** 20 lessons per week. The one-to-one Professional Tutor Course is individually structured for each student and is designed primarily for executives, government officials, professionals, interpreters and future Russia/CIS representatives. The individual approach speeds up the learning process and focuses on the needs of the particular client without having to compromise on, or take into consideration, other students.
