EIS – SALAMANCA, SPAIN

ABOUT THE SCHOOL AND THE CITY

Our School The school is a pioneer institution in the teaching of foreign languages in Spain. It is a family enterprise with a large, committed staff, including teachers, administration and management personnel. The four Spain schools have an international atmosphere with students from more than 20 countries studying at any one time. The main characteristics of the schools are:

- Individualized attention in small groups
- Quality teaching in a friendly environment
- Qualified teachers and up-to-date materials

The class and activity organization is very flexible. Many starting dates are offered throughout the year, special courses designed to fit each individual's needs, social activities, various types of accommodation and an endless number of "small" services that make the school one of the most prestigious Spanish language schools. The school is a registered member of the Pittman Center and the Centre of the Institute of Linguistics. Various European governments and universities recognize EIS programs, including the European Parliament.

Salamanca is host to the largest University in Spain, is a students' city. Its famous Plaza Mayor is the center of the city, with its sidewalk cafes, bars, and restaurants. Salamanca is a small town and it can be crossed on foot from end to end. Monumental churches, unique buildings, streets oozing with history... Salamanca offers all of this and much more. Salamanca's climate is continental. Very dry, with cold winters, some freezing nights, and bearably warm summers. Salamanca is part of Old Castile and is located within a short distance from Segovia, Avila, Burgos, Santiago de Compostela, Leon, and Madrid, of course, which is just 200 kilometers away.

ABOUT THE PROGRAM

Classroom time is made as productive and enjoyable as possible to ensure the best results. At each school location, the director organizes the language level groups and supervises student progress.
